A Year of Compassion in Action

In 2024, our team continued meeting people where they were—with practical help, genuine conversation, and respect. Every gift card offered immediate access to food or necessities, while every encounter affirmed something equally important: each person deserves to be seen, heard, and treated with dignity.

OUR 2024 IMPACT

18 gift cards supported 18 families with immediate access to hot food, groceries, and everyday necessities.

Support With Choice

Gift cards were distributed for use at trusted local stores including Safeway, Giant, Walmart, and Target. This approach allowed recipients to decide what they needed most—bringing flexibility, choice, and relief at the moment it mattered.

The Human Impact Beyond the Numbers

Our impact extended beyond the 18 documented gift-card distributions. Team members also spent time speaking with people experiencing homelessness and engaging in ordinary, respectful conversation. These moments helped counter the isolation and invisibility that unhoused neighbors often experience. A warm greeting, an unhurried conversation, and the willingness to listen can restore a sense of connection and human dignity.

Our Mission in Practice

'Til All Families Are Blessed provides immediate, dignity-centered support while helping individuals and families move toward long-term stability. In 2024, that mission took shape through direct assistance, compassionate presence, and relationships rooted in respect.

2024 Program Highlights

Immediate Food Access

Gift cards helped recipients purchase hot meals, groceries, and household necessities without delay.

Dignity and Choice

Recipients could select the food and essential items that best matched their own needs and circumstances.

Trusted Local Access

Safeway, Giant, Walmart, and Target offered familiar, accessible places to use the assistance.

Human Connection

Respectful conversations helped people feel acknowledged as neighbors—not defined by their housing status.

What One Gift Card Can Mean

For a person or family navigating homelessness, a gift card can provide more than a transaction. It can mean a warm meal today, groceries selected for a child, basic necessities purchased privately, or one less urgent decision competing for limited resources.

The method is simple. The effect is personal.

Financial Stewardship

The following summary is drawn from the organization's accrual-basis financial statements for January through December 2024 and as of December 31, 2024.

Statement of Activity

Category	FY2024

Current-year net revenue	\$1,063.59
Total equity	\$1,266.29

Financial statements were provided by the organization. Figures are rounded to the nearest cent.

Carrying the Mission Forward

Every act of support helps create a bridge from immediate need toward greater stability.

As we look ahead, we remain committed to reaching people experiencing homelessness with practical resources and compassionate presence. We will continue building support for families, veterans, and individuals throughout the DMV—offering relief today while keeping long-term stability in view.

THANK YOU

To our board members, donors, volunteers, partners, and community supporters: thank you for helping us keep dignity at the center of every encounter.
