

ANNUAL REPORT

Fiscal Year 2025

'Til All Families Are Blessed

Keeping the mission moving. Continuing to make an impact.

A Message from Our Founder & Executive Director

2025 was a year that tested our organization in an unexpected way. I underwent three major surgeries and spent much of the year focused on recovery. Although our direct gift card distribution was lower than we had hoped, the mission of 'Til All Families Are Blessed did not stop.

Our Board members stepped forward and kept our work moving. Throughout the year, they distributed eight gift cards from Walmart and Safeway to individuals and families in need. That number may look modest on paper, but each gift card represented a practical act of care, dignity, and support for someone facing hardship.

2025 reminded us that impact is not measured only by volume. Sometimes impact is measured by whether a mission continues when circumstances become difficult. Because of the commitment of our Board, our supporters, and those who believe in this work, our organization remained active and our mission remained alive.

As we look ahead, we are grateful for the foundation 2025 provided and committed to building stronger systems, expanding community partnerships, and increasing our ability to meet immediate needs while helping families move toward stability.

Our Mission

'Til All Families Are Blessed works to address food insecurity and homelessness through immediate, dignity-centered support and pathways toward long-term stability.

2025 at a Glance

Our 2025 Impact

During a year when organizational activity was necessarily limited, our Board members helped preserve continuity of service. Eight gift cards were distributed through Walmart and Safeway, providing direct assistance to people experiencing hardship.

The year also reinforced an important principle of our work: service can continue even when circumstances change. Board leadership helped bridge a period of reduced capacity and ensured that the organization remained connected to its purpose.

Looking Ahead to 2026

Building on the lessons of 2025, 'Til All Families Are Blessed is focused on strengthening organizational capacity and expanding direct community impact. Our priorities include increasing gift card distribution, strengthening fundraising and donor relationships, expanding partnerships, and improving the systems that support consistent service delivery.

We are entering the next chapter with gratitude, resilience, and a renewed commitment to the families and individuals we serve.

Thank You

To our Board members, donors, supporters, volunteers, community partners, and everyone who believes in the mission of 'Til All Families Are Blessed: thank you. Your support helped keep the mission moving during a challenging year.

Every act of support matters. Every person matters. Every family matters.
