OUTPUT

In 2026, TAFAB distributed 41 food gift cards - 28 valued at \$50 and 13 valued at \$25 - through three outreach events in Washington, DC and Seat Pleasant, Maryland.

OUTCOME

We provided 41 individuals facing food insecurity with immediate access to food while preserving dignity and choice in where and how their needs were met. Through outreach, we also connected people to housing resources and encouraged many to seek support by reconnecting with family, pursuing services, or taking steps toward a more stable path forward.

OUTREACH IN ACTION

H Street Corridor & Chinatown, Washington, DC	Outreach along the H Street corridor in Northeast and in Chinatown paired food gift cards with compassionate conversation. Two neighbors experiencing homelessness received housing-assistance resources and encouragement to pursue available support.
MLK Jr. Memorial Library Encampment, Washington, DC	At the largest homeless encampment in DC at that time, outside the MLK Jr. Memorial Library, a young mother living in a shelter received a \$50 McDonald's gift card while attending a library event with her four-year-old daughter. Other recipients shared the strain of having no safe place to go or sense of belonging. Several men were nearly moved to tears when they learned their cards carried a \$50 value.
National Night Out, Seat Pleasant, Maryland	Invited to distribute cards alongside the Prince George's County Police Department, TAFAB served grandparents caring for multiple children, a single father, and other parents who did not expect to receive food assistance at the event. Their hugs and expressions of gratitude reflected the immediate relief these cards provided.

THE HUMAN RESULT

Every card delivered immediate food access. Every conversation affirmed that the person receiving it was seen, valued, and worthy of choice.

Individual names and identifying details are omitted to protect recipient privacy.
